25X1 6. [ ] Representative Alexander Pirnie telephoned stating he was writing a letter to [ ] and wanted to know if we had anything firm at this point. I advised him that this matter was being carefully looked into and it would be difficult to specify a time but we would be in touch with him as soon as we had anything definite. I tried to lay the groundwork for a negative response.

25X1 7. [ ] After learning from Mr. Elder that the Director did not plan to be away during the week of 14 June, I suggested to George Murphy, Joint Committee on Atomic Energy staff, that we use that week as a target for the Agency's appearance before the Joint Committee. The most desirable dates appear to be 16 or 17 June. OSI was advised. I also informed Murphy that I had a copy of the JAEIC report on safeguard D of the nuclear test ban treaty and would forward same to him.

25X1 8. [ ] In response to his call, I met with Mr. John Martin, Assistant Chief Counsel of the House Ways and Means Committee, and reviewed the proposed amendment to the Internal Revenue Code relating to exemption from gross income of disability payments under the Agency Retirement Act. The House Legislative Counsel desired insertion of an effective date in the proposed provision. It was agreed that the provision be made effective for tax years beginning after 31 December 1964.

25X1 9. [ ] Met with Representative Hugh Carey and provided him with a newspaper clipping dated 2 June 1965 which had been forwarded by [ ] NE Division. Mr. Carey thanked me for the Agency's consideration in keeping him up to date. He also requested the name of the attorney handling this matter in New York City. The name was furnished to him.

25X1 10. [ ] Met with Robert Michaels, House Appropriations Committee staff, who passed on two questions for tomorrow morning's meeting with the Subcommittee which will be held at 8:00 A.M. in Room HB-19. The questions have been relayed to the Office of the DD/I.
